Adoption/Application Questionnaire

If you wish to consider obtaining a puppy from “BBCook’s Huggable Huskies”, please complete the following questionnaire and submit to us. Thank you for showing an interest in our Alaskan Klee Kai.

As an AKK owner, you will be approached regularly about your dog. There are places to connect with other AKK owners (Facebook, Yahoo groups, etc.) We highly recommend joining these groups, even as a buyer. There is much to learned.

We realize this is a long questionnaire. Our wish is to place our puppies where they will be happy and enjoy a full and satisfying life. It is equally important you be completely satisfied as well. By filling out this in-depth questionnaire, we will have a better understanding of your needs and desires. Hopefully, it will help you along your path as well. As we all know there is no one breed of dog that is right for everybody, and the Alaskan Klee Kai is no exception.

If for any reason we do not feel comfortable placing one of our puppies in your home, any deposit would be refunded immediately.

Note: These forms will become a legal part of the Sale Contract in the event you decide to obtain a puppy from us.
